

Press Release

October 16, 2008

Trinity Eye Care is proud to announce the expansion of their New Port Richey-based practice into a new location at Trinity Professional Place in Trinity, Florida, effective the first week in December 2008.

Since Dr. Angela Bernardo established ownership of the Chelsea Place Plaza practice in 2004, Trinity Eye Care has grown tremendously, while simultaneously continuing its promise of delivering superior patient care and products & services to the greater Tampa Bay area. Over the past four years, Trinity Eye Care has expanded their showroom through enhanced designer eyewear and further developed their cutting edge eye care center. With the combination of Drs. Bernardo & Coates' extensive knowledge and friendly, personalized service, Trinity Eye Care has become the smart choice for all of the greater Tampa Bay area's eye care needs.

In early December, Dr. Bernardo and her team will be opening the doors to their newly built 2,000+ square foot facility, located at Trinity Professional Place, right in the heart of Trinity, Florida. Joining Dr. Bernardo in the expansion of the practice are Dr. Stephanie Coates; Managing Director, Maria Bernardo; Licensed Opticians, Laura Kurish and Rosalie Stewart; Patient Care Specialists, Donna Shaner and Erica Perez. **With over 50 years of combined optometric experience and superior patient care, the Trinity Eye Care team would like to welcome all new and existing patients & customers to their beautifully expanded location!** Stay tuned for private and public grand opening event happenings for an opportunity to preview the new facility at 10571 Maple Creek Drive (at Trinity Blvd & Duck Slough).
